## Annex to the note verbale dated 4 August 2010 from the Permanent Mission of the Russian Federation to the United Nations addressed to the Chairman of the Committee

## Interim report on the steps taken by the Russian Federation to implement United Nations Security Council resolution 1929 (2010)

[Original: Russian]

2 August 2010

The Russian Federation is conscientiously complying with Security Council resolution 1929 (2010) as well as the previous resolutions 1737 (2006), 1747 (2007) and 1803 (2008) regarding sanctions in connection with the Iranian nuclear programme.

Information on the measures provided for in this decision of the Council was duly brought to the attention of the appropriate federal executive authorities of the Russian Federation. Work to prepare a draft decree of the President of the Russian Federation on the implementation of Security Council resolution 1929 (2010) is under way.

As previously, we are proceeding on the assumption that the Security Council decisions on Iran, including resolution 1929 (2010), are intended to achieve a peaceful diplomatic settlement of the situation regarding the Iranian nuclear programme. Both bilaterally and with other partners, the Russian Federation is continuing to work actively with Iran to resolve that situation on the basis of the requirements of the Council and the International Atomic Energy Agency.
